Elective Course Substitution/Electives for Custom Concentration:

Students who wish to enroll in an elective course(s) that is not on the pre-approved [SIA Electives or PSU Electives list](#) on the website should be listed below to seek approval from the SIA Academic Advisor. This form should be submitted prior to scheduling the class to ensure it will count toward the SIA degree.

Semester/Year	Course Abbrev/ Number	Course Title	# credits

Designation of a Customized Concentration:

Students who do not wish to pursue one of the established [SIA concentrations](#) are able to create their own concentration by enrolling in at least 4 electives (12 credits) that are relevant to the student’s customized area of interest. Please state your intended concentration below as well as indicate the 4 electives above you wish to apply to this concentration.

Customized Concentration:

Required Approval:

Please submit this form to Mz122A for approval from the SIA Academic Adviser.
